

Bow and Arrow

With 24 curved and straight modules, you can create configurations to fit all space requirements and interiors. Available in colours to suite our four signature pallets (Meadow, Moorland, Mountain and Sky) each in four different fabric combinations (see bottom), or alternatively any of the 100+ special order colours (subject to surcharge).

Note
These thumbnail images show a special upholstery option
Standard upholstery (in this instance from the Sky pallet) shown below
